| Beschreibung                            | TVS DIODE 5VWM 17VC 6VFQFPN                         |
| Kategorie                               | <a href="#">Schaltkreisschutz &gt; TVS - Dioden</a> |
| Teilstatus                              | 1826 pcs Stock                                      |
| Serie                                   | USB                                                 |
| Betriebstemperatur                      | -                                                   |
| Befestigungsart                         | Surface Mount                                       |
| Art                                     | Steering (Rail to Rail)                             |
| Kapazität @ Frequenz                    | 0.95pF @ 1MHz                                       |
| Anwendungen                             | Ethernet                                            |
| Verpackung / Gehäuse                    | 6-UFDNFN                                            |
| Supplier Device-Gehäuse                 | 6-µQFN (1.45x1.0)                                   |
| Unidirektionale Kanäle                  | 2                                                   |
| Spannung - Betriebsgleichspannung (Typ) | 5V                                                  |
| Spannung - Aufteilung (min.)            | 6V                                                  |
| Spannung - Klemmung (max.) @ Ipp        | 17V                                                 |
| Strom - Spitzenimpuls (10 / 1000µs)     | 5A (8/20µs)                                         |
| Power - Peak Pulse                      | -                                                   |
| Stromleitungsschutz                     | Yes                                                 |
| Verpackung                              | Tape & Reel (TR)                                    |
