| Spannung - Nennwert      | 250V                                                    |
| Toleranz                 | ±1%                                                     |
| Dicke (max)              | 0.035" (0.89mm)                                         |
| Temperaturkoeffizient    | COG, NP0                                                |
| Größe / Dimension        | 0.063" L x 0.032" W (1.60mm x 0.81mm)                   |
| Serie                    | ATC 600S                                                |
| Bewertungen              | -                                                       |
| Verpackung               | Tape & Reel (TR)                                        |
| Verpackung / Gehäuse     | 0603 (1608 Metric)                                      |
| Betriebstemperatur       | -55°C ~ 125°C                                           |
| Befestigungsart          | Surface Mount, MLCC                                     |
| Leitungsstil             | -                                                       |
| Leiter-Abstand           | -                                                       |
| Höhe - eingesteckt (max) | -                                                       |
| Eigenschaften            | High Q, Low Loss, Ultra Low ESR                         |
| Kapazität                | 68pF                                                    |
| Anwendungen              | RF, Microwave, High Frequency                           |

600S680FT250XT Electronic Components ist ein 100% neues Original von YIC Distributor, 600S680FT250XT-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, 600S680FT250XT American Technical Ceramics mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal.
