### Spezifikationen

|   |                                  |
|---|----------------------------------|
| Teilenummer                             | P6KE120A                         |
| Hersteller                              | Hamlin / Littelfuse              |
| Beschreibung                            | TVS DIODE 102VWM 165VC DO204AC   |
| Kategorie                               | Schaltkreisschutz > TVS - Dioden |
| Teilstatus                              | 42000 pcs Stock                  |
| Serie                                   | P6KE                             |
| Betriebstemperatur                      | -55°C ~ 175°C (TJ)               |
| Befestigungsart                         | Through Hole                     |
| Art                                     | Zener                            |
| Kapazität @ Frequenz                    | -                                |
| Anwendungen                             | General Purpose                  |
| Verpackung / Gehäuse                    | DO-204AC, DO-15, Axial           |
| Supplier Device-Gehäuse                 | DO-204AC (DO-15)                 |
| Unidirektionale Kanäle                  | 1                                |
| Spannung - Betriebsgleichspannung (Typ) | 102V                             |
| Spannung - Aufteilung (min.)            | 114V                             |
| Spannung - Klemmung (max.) @ Ipp        | 165V                             |
| Strom - Spitzenimpuls (10 / 1000µs)     | 3.7A                             |
| Power - Peak Pulse                      | 600W                             |
| Stromleitungsschutz                     | No                               |
| Verpackung                              | Tape & Reel (TR)                 |
