| Teilstatus                       | 654 pcs Stock                                             |
| Serie                            | -                                                         |
| Betriebstemperatur               | -40°C ~ 85°C (TA)                                         |
| Befestigungsart                  | Surface Mount                                             |
| Spannung - Eingang (Max)         | 5.5V                                                      |
| Ausgabebetyp                     | Fixed                                                     |
| Verpackung / Gehäuse             | 6-UFBGA, WLCSP                                            |
| Supplier Device-Gehäuse          | 6-WLCSP (1.03x1.50)                                       |
| Funktion                         | Step-Down                                                 |
| Strom - Ausgabe                  | 800mA                                                     |
| Frequenz - Umschaltung           | 3MHz                                                      |
| Anzahl der Ausgänge              | 1                                                         |
| Ausgangskonfiguration            | Positive                                                  |
| Topologie                        | Buck                                                      |
| Spannung - Ausgang (Min / Fixed) | 1.8V                                                      |
| Spannung - Ausgabe (max)         | -                                                         |
| Synchrone Gleichrichter          | Yes                                                       |
| Spannung - Eingang (min)         | 2.3V                                                      |
| Verpackung                       | Tape & Reel (TR)                                          |
