### Spezifikationen

|   |                                  |
|---|----------------------------------|
| Teilenummer                             | UCLAMP0511Z.TNT                  |
| Hersteller                              | Semtech                          |
| Beschreibung                            | TVS BIDIR 1LINE 5V SLP0603P2X3   |
| Kategorie                               | Schaltkreisschutz > TVS - Dioden |
| Teilstatus                              | 2024330 pcs Stock                |
| Serie                                   | µClamp®                          |
| Betriebstemperatur                      | -55°C ~ 125°C (TJ)               |
| Befestigungsart                         | Surface Mount                    |
| Art                                     | Zener                            |
| Kapazität @ Frequenz                    | 4pF @ 1MHz                       |
| Anwendungen                             | General Purpose                  |
| Verpackung / Gehäuse                    | 2-XDFDN                          |
| Supplier Device-Gehäuse                 | SLP0603P2X3                      |
| Spannung - Betriebsgleichspannung (Typ) | 5V (Max)                         |
| Spannung - Aufteilung (min.)            | 6V                               |
| Spannung - Klemmung (max.) @ Ipp        | 15V                              |
| Strom - Spitzenimpuls (10 / 1000µs)     | 1A                               |
| Power - Peak Pulse                      | -                                |
| Stromleitungsschutz                     | No                               |
| Bidirektionale Kanäle                   | 1                                |
| Verpackung                              | Tape & Reel (TR)                 |
