| Hersteller                          | IDT (Integrated Device Technology)                   |
| Beschreibung                        | IC FIFO BI SYNC 256X18 68-PLCC                       |
| Kategorie                           | Integrierte Schaltungen (ICs) > Logik-FIFOs Speicher |
| Teilstatus                          | Require For Quote & Check Stock                      |
| Spannungsversorgung                 | 4.5 V ~ 5.5 V                                        |
| Supplier Device-Gehäuse             | 68-PLCC (24.21x24.21)                                |
| Serie                               | 7200                                                 |
| Retransmit Capability               | No                                                   |
| Programmierbare Flags Unterstützung | Yes                                                  |
| Verpackung                          | Tape & Reel (TR)                                     |
| Verpackung / Gehäuse                | 68-LCC (J-Lead)                                      |
| Betriebstemperatur                  | 0°C ~ 70°C                                           |
| Befestigungsart                     | Surface Mount                                        |
| Speichergröße                       | 9K (256 x 18 x 2)                                    |
| Funktion                            | Synchronous                                          |
| FWFT Unterstützung                  | No                                                   |
| Erweiterungstyp                     | Width                                                |
| Datenrate                           | 28MHz                                                |
| Strom - Versorgung (Max)            | 230mA                                                |
| Bus Directional                     | Bi-Directional                                       |
| Zugriffszeit                        | 21ns                                                 |

72605L35J8 Electronic Components ist ein 100% neues Original von YIC Distributor, 72605L35J8-Datenblätter durchsuchen, PDF, Inventar bei Y-IC.com Online, 72605L35J8 IDT (Integrated Device Technology) mit Garantie und Vertrauen bestellen. Versand per DHL / FedEx / TNT / UPS Express. Unterstützung der Zahlung mit telegrafischer Überweisung (T / T) oder PayPal.
