| Hersteller                          | Hamlin / Littelfuse                   |
| Beschreibung                        | SIDACTOR BI 180V 400A DO-214AA        |
| Kategorie                           | Schaltkreisschutz > TVS - Thyristoren |
| Teilstatus                          | 76278 pcs Stock                       |
| Serie                               | SIDACTor®                             |
| Befestigungsart                     | Surface Mount                         |
| Kapazität                           | 35pF                                  |
| Verpackung / Gehäuse                | DO-214AA, SMB                         |
| Strom - Spitzenimpuls (10 / 1000µs) | 100A                                  |
| Spannung - Kipp                     | 220V                                  |
| Spannung - Aus-Zustand              | 180V                                  |
| Strom - Spitzenimpuls (8 / 20µs)    | 400A                                  |
| Strom - Haltestrom (Ih)             | 120mA                                 |
| Anzahl der Elemente                 | 1                                     |
| Spannung - EIN-Zustand              | 4V                                    |
| Verpackung                          | Tape & Reel (TR)                      |
